

HERCULES DJPARTY SET

START
THE PARTY
become a DJ

Throw great parties anytime:

- Mix and scratch on the Hercules DJControl Starlight controller
- Monitor your tracks on the Hercules HDP DJ45 headphones
- Pump up the vibe wherever you are with the LED wristbands that light up to the beat of your music!

KEY FEATURES

Anytime is party time, with:

- The **Serato DJ Lite** software for PC/Mac® (license included)
- **DJControl Starlight:** 2-deck DJ controller, featuring:
 - Built-in audio: master output + headphones output
 - Jog wheels with touch detection, for scratching and browsing
 - Backlighting underneath the base that goes with the beat of your music
- **HDP DJ45:** DJ headphones to monitor and prepare upcoming tracks

+ **5 LED wristbands:** they light up to the beat of the music, for an amazing visual effect that pumps up the vibe.

All the features you need:

Serato DJ Lite has all the key features required for learning to mix and scratch. You'll be setting the dance floor on fire in no time!

Serato DJ Pro technology:

The core technology that makes Serato DJ Pro the most powerful and reliable DJ software in the world is the same technology that drives Serato DJ Lite.
