

# HERCULES DJLEARNING KIT

**DJUCED®**  
BOOST YOUR MIX

**KICK IT OFF**  
become a DJ

All-in-one kit that helps you learn to mix and become a DJ:

- Mix on the Hercules DJControl Inpulse 200 controller with its light guides
- DJUCED® software: full version included
- Monitor upcoming tracks on the HDP DJ45 headphones
- Play your mix on the DJMonitor 32 speakers

## KEY FEATURES

**Everything you need to get started** and become a DJ:

- **2-deck DJ controller** with built-in audio interface
- Full version of the **DJUCED® software** for PC/Mac® included
- **Active speakers (2 x 15 W RMS) for mixing at home**
- **DJ headphones** for monitoring upcoming tracks

**Everything is included:**

- **No need for extra cables:** USB and audio cables are included in the box
- **No upgrade required:** the full version of DJUCED®, featuring video content and sample packs, is already included

**Everything you need to help you learn:**

- Follow the **DJ Academy tutorials** built into **DJUCED®**
- **Work on your listening skills** and learn to **master beat-matching manually**, thanks to the built-in **dynamic light guides**
- The **Intelligent Music Assistant** feature analyzes and suggests the best upcoming tracks to be played in DJUCED®
- Adjust the **Energy** level of upcoming tracks according to the ambiance of your party

**Ultra-mobile:**

- **Easy to transport:** compact, lightweight DJ equipment
- **Easy to install:** simple software installation, and only 4 cables to connect (USB, speakers, power and headphones)

## HERCULES DJLEARNING KIT

**DJUCED®**  
BOOST YOUR MIX

DJUCED® is the powerful, easy-to-use DJ software that offers features including mixing audio tracks, remixing, live performance by tapping on your DJ controller's pads, scratching and recording music. DJUCED® makes mixing simple and fun, thanks to its graphic interface and ergonomically-designed functions.
